Leonard and Marjorie Williams

We are proud to continue growing Leonard and Marjorie's legacy and the impact that they have had and will continue to have on those in our community. While they are no longer with us physically, they will live on through not only our YMCA but the countless other organizations that they have supported to ensure that children and other vulnerable populations are receiving the services they deserve. Our community owes them a great deal of gratitude. The purpose of our golf tournament is not only to honor and remember them, but to continue the Williams' impact by raising funds for scholarships for children and families in need.
