WEATHER AND CANCELLATION POLICY

If you are wanting to cancel your Pool Party Reservation, we need a seven-day notice to process a full refund to you.

If there is a lightning strike everyone must leave the pool and pool deck for 30 minutes after the last strike. If thunder and lightning storms are in the area, we encourage you to call to see if our Blackburn Athletic Facility is open and available. If it is, we can move your party into one of the gyms at Blackburn at no additional cost.

If your party does not begin, or if lightning pushes you out of the water for an hour, you can either receive your 50% deposit back to you or you can spend the remaining hour at our Blackburn Facility if it is available.
