

REMEMBERING 9/11 TOWER CHALLENGE

September 12th–17th

In honor of the 343 first responders who made the ultimate sacrifice, help us in remembering them by participating in the 110 floor challenge (2,071 steps) on the stair stepper. You may complete the challenge as an individual or recruit up to 4 others to participate as a team. This event is open to anyone. Can't use the stair stepper? That's fine! Walk or bike 0.8 miles instead!
