**Dance Fitness** – This 45 minute class combines upbeat songs and fun dance moves into a fun and energizing calorie burning workout! No experience necessary!

**Spin** - This 45 minute class will fly by as you work sprints, intervals and speed training in our indoor cycling studio.

**Spin Fusion** – This class is an intense combo class where indoor cycling meets strength training-combined with weights, bands & floor exercises.

**Stretch, Tone, & Balance** Each class consists of stretching exercises suitable for all fitness levels to increase flexibility and maintain muscle fluidity. Various toning techniques are used to strengthen arms, abs and legs and are suitable for all fitness levels.

**Tai Chi** A meditative, low impact series of gentle rounded movements performed to enhance health, strength, flexibility and balance.

**Yoga** Increases the body's ability for ease of motion and mobility in daily living while improving both balance and flexibility. Participation will bring a heightened awareness of the body-mind connection and potential.

**Water Fit** Also known as water aerobics, this class offers the participant the wonderful opportunity to enjoy the healing power of water while improving overall fitness through cardiovascular exercises that improve endurance, muscle tone and flexibility via water resistance, all in a low impact setting that is easy on the joints.

Take the "work" out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party.
